

STEP JUNIOR CREW

TRAINING PROGRAMME 2018

At STEP, we aim to groom young talented dancers and develop their potential to the best they can be. Through unique performance opportunities, we hope to inspire our next generation to believe in their dreams, equipping them with the necessary skills to shine on any stage.

Our junior crew training programme focuses on building strong technique, as well as performance value. As such, students who wish to participate in this programme are required to commit to once a week training sessions.

The STEP Junior Crew Training Programme runs over the course of 1 year. One year consists of 4 school terms. **Each term consists of 10 sessions.** Children who wish to join the programme will have to **commit to 1 year of training minimum.**

A programme fee of **\$280 per term** is applicable upon acceptance of placement in the STEP Junior Crew. (A total of \$1120 for 1 year of training)
A **one-time deposit of \$100** will be collected at the start of Term 1, and refunded only upon completion of the full year.
