

STEP YOUTH CREW

TRAINING PROGRAMME 2019

At STEP, we aim to groom young talented dancers and develop their potential to the best they can be. Through unique performance opportunities, we hope to inspire youths to believe in their dreams, equipping them with the necessary skills to shine on any stage.

Our youth crew training programme focuses on building strong technique, as well as performance value. As such, students who wish to participate in this programme are required to commit to once a week training sessions.

Class levels increase over the course of 1 year. One year consists of 4 training terms. **Each term consists of 10 sessions.** Dancers who wish to join the programme must commit to **1 year of training minimum.**

A programme fee of **\$280 per term** is applicable upon acceptance of placement in the STEP Youth Crew. (A total of \$1120 for 1 year of training)
A **one-time deposit of \$100** will be collected at the start of Term 1, and refunded only upon completion of the full year.
